

2014 Chicago and Great Lakes Regional Operations & Construction Coordination Meeting

*Sponsored by the Regional Transportation Operations Coalition for
Northeastern Illinois (RTOC) and the Great Lakes Regional Transportation
Operations Coalition*

System operators are at an advantage when they are aware of, and can plan for, the impacts of other agencies' scheduled construction projects. This meeting will provide you with an opportunity to hear about construction projects scheduled for 2014 and to present information to others about your own projects.

For this meeting to be successful, your organization's participation is important. Please send a representative(s) who can present information about your agency's planned 2014 construction projects, and who will benefit from the ability to formulate operations plans in response to others' proposed construction. Most participants will choose to attend either the morning northeastern Illinois session or the afternoon Great Lakes Regional session.

Wednesday, February 5, 2014 9:00 am – 4:00 pm Central Time

Cook County Conference Room

Chicago Metropolitan Agency for Planning (CMAP)

233 S. Wacker Drive, Suite 800, Willis Tower

(snow day Tuesday, February 11th if needed)

RSVP by email to Claire Bozic, Cbozic@cmap.illinois.gov so your name can be added to the Willis Tower visitor list for faster access to the CMAP offices. If you know who will be presenting for your agency, please note the presenter's name with your RSVP.

Unable to attend? Join online at tops.adobeconnect.com/glrtoc,
and dial-in at 855-947-8255, passcode 9605 755#

Questions? For information about the morning session (northeastern Illinois), email or call Claire Bozic, cbozic@cmap.illinois.gov, 312-386-8744. For information about the afternoon session (Great Lakes Work Zone Review), email or call Peter Rafferty prafferty@wisc.edu, 608-890-1218.
